Invitation and 1st Circular

27th Central European Auchenorrhyncha Meeting

Dear colleagues,

We are pleased to invite you to participate in the forthcoming 27th meeting of the “Arbeitskreis Mittel-europäische Zikaden” to be held at

Universität Koblenz-Landau, Campus Landau

16th-18th July 2021

Landau is located between the Upper Rhine Valley and the Palatinate forest. The landscape offers a wide variety of different habitats with exciting localities for collecting insects, including dry and wet grasslands, bogs and recently created wood pastures. The meeting has a focus on field trips, i.e. there will be no talks and posters and no annual meeting of the AK Zikaden. We will have a digital meeting for talks and the annual meeting in autumn.

The preliminary programme will be as follows:

16 th July, Friday	Arrival, registration, get-together
17 th July, Saturday	Excursion (destination to be announced), dinner
18 th July, Sunday	Excursion (destination to be announced), departure

The fees will be around 20 € (students 10 €) and will include the get-together and lunch bags. The detailed programme will be sent in the 2nd circular. Please register until the **1st of June** and fill in the attached form. We welcome all guests, so please forward this notice to everyone who you think might be interested. We have reserved 14 rooms (8 single rooms, 6 double rooms, code “Zikaden”) in the Hotel Amelie (<https://amelie-landau.de>, +49(0)6341- 26 74 733) which is located in the southern part of the city. The rooms are reserved until the 9th of July. More choices can be found on www.landau-tourismus.de/Unterkunft#Hotels and www.airbnb.de.

As always, booking should be done early!
